Easy Feed**

Why use Gro-Sure® Tomato Easy Feed?

- ✓ Simply push into the soil for season-long feeding
- ✓ No measuring, no mess, no overfeeding!
- ✓ Essential nutrients direct to the roots
- ✓ Extra potash for more flowers & fruits
- ✓ Seaweed, magnesium & iron for healthy plants
- ✓ Calcium to help prevent blossom end rot

How to use

1. Use 2 Easy Feed sticks per plant, once the first truss of tomatoes has set (1st flowering branch has turned from flowers to small green fruits)
2. Push Easy Feed sticks into the soil, on opposite sides of the plant, 2cm below soil surface and 12-15cm away from the stem.
3. Water after inserting the Easy Feed sticks.

Hints and Tips

Gro-Sure® Tomato Easy Feed is great for feeding a range of plants including other glasshouse crops, plants in containers, and garden plants such as roses and shrubs.

Further information

Always re-seal pouch after use. Store in a safe, dry place, away from children, animals and feedstuffs. Wash hands after use. Not recommended for use with seeds and seedlings.
