		❄️			☀️	☀️	☀️		❄️		
✓ Optimal sowing ❄️ Low temperature risk ☀️ High temperature risk											

WHERE TO USE

Perfect for repairing all lawn patches:

- In high-traffic areas where the lawn is worn away.
- In patches caused by pet urine damage.
- Shady conditions, such as under trees.
- In and around children's play areas

EXPECTED RESULTS

Treated patches will be repaired and blend in with the rest of the lawn.

INSTRUCTIONS FOR USE

- Remove all dead grass, weeds and their roots from the patch.
- Lightly rake the soil to prepare the patch, breaking up any hard lumps or compacted soil surfaces.
- Apply Gro-Sure® Smart Patch to the patch to 2mm depth.
- Apply a scattering around the patch too, ensuring that the patch will correctly blend in.
- Water with a fine spray to moisten the mixture and activate the seed and keep well watered until the grass has established.
- You can apply slightly less when covering thin grass rather than a bare patch.

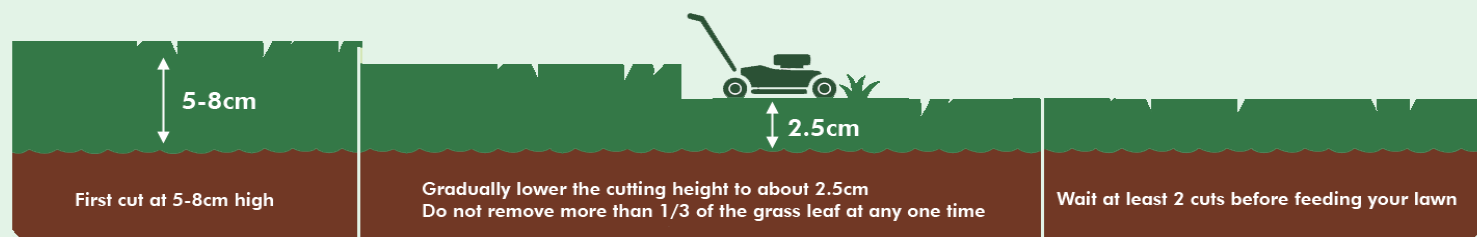

CONTAINS LAWN SEED

SPECIES	Perennial Ryegrass (<i>Lolium perenne</i>)
	Creeping Red Fescue (<i>Festuca rubra</i>)

AFTER CARE

- Keep new lawns well watered especially in dry conditions, but be aware of watering restrictions.
- Do not use weedkillers or strong fertilisers on new lawns (less than 6 months) and always read the product label before use.

RECOMMENDED LAWN FEEDS—For new lawns

- Westland SafeLawn • Aftercut Ultra Green Plus • Lawn Thickener

FREQUENTLY ASKED QUESTIONS

Q. Can my children & pets go into the treated area?

A. Yes, children and pets can return to treated areas. However newly germinated seed should not be walked on until established.

Q. Could I use Smart Patch Repair to cover large areas or bare lawns?

A. This product is ideal for small patches that are approx. 45cm in diameter. For larger areas we recommend lawn seeding soil and fresh lawn seed.

Q. Can I use this product on a newly sown/turfed lawn?

A. Yes, Smart Patch Repair can be used on any lawn when there is a patch to repair.

For any other questions or advice please contact our Technical Advice line on: **01480 443789** (Mon-Fri 10am-4pm) or email customerservice@westland.com
